Dr Elizabeth Quat is the President and Co-Founder of Internet Professional Association (iProA), the Founder and CEO of CB Strategic Investment Limited which focus in investment in ICT and Education areas, and the Vice President of SC Fulfil Limited, which provides logistics consultancy, IT solutions and system services.

Being an active advocate of industry development and community service, Dr Quat serves in committees of various government bodies to enhance and improve Hong Kong's competitiveness and IT professional standards. Some of Dr Elizabeth Quat remarkable projects included:

- **1999:** Founded the Internet Professional Association which now represents over 1,400 ICT professionals. It contributes towards improving professionalism of information technology practitioners, and to advance the art and science of Internet technology and its proper application.
- **2001:** Initiated the "Web Care Campaign" which aims to narrow digital divide by promoting web accessibility and delivered Internet training programmes for women, children, the elderly, and the disabled.
- **2003:** Founding the "Global Alliance for Bridging the Digital Divide" (GABDD) with 24 countries.
- **2004 & 2005:** Successfully conducted the "Global ICT Summit" in Hong Kong and Bahrain, Middle East.
- **2003:** Initiated the "BrightenHK Campaign" during the SARS Period.
- **2005:** Initiated the "SME Entrepreneur Consortium" (SMEEC), to help SMEs to better understand market opportunities and risks, and use information and communications technology (ICT) effectively.
- **2005:** Initiated the founding of the "eHealth Consortium" which aims to facilitate and promote the use of IT as a complementary tool in the health care industry.
- **2005:** Co-organized the 4th China Internet Conference in Beijing with the Internet Society of China.
