Mrs. Agnes Mak has over 20 solid years of experience in information technology. Along with her successful full-time career, Mrs. Mak has dedicated to promoting the development of the IT industry in Hong Kong. She has initiated the establishment of the “IT Excellence Awards” by the Hong Kong Computer Society in 1998. After only a few years, the awards have enjoyed a strong and stable image and attracted the interests of both local and international investors.

Mrs. Mak has been encouraging professionalism among IT specialists and has initiated the establishment of a framework for assessing and certifying IT professionals. Having a strong commitment in IT education, Mrs. Mak has conducted and lectured at numerous career talks and seminars organized for Hong Kong schools. In the past 15 years, Mrs. Mak has served as a member and chairperson of various Advisory Committees related to Computer Science/Information Technology in a number of tertiary educational institutions.
